

Douglas County VSP Producer Checklist

This may alternatively be completed online at:

<http://www.fostercreekcd.org/programs/voluntary-stewardship-program/>

Directions: Please indicate your type of operation (check all that apply)

Dryland

Irrigated

Range/grazing

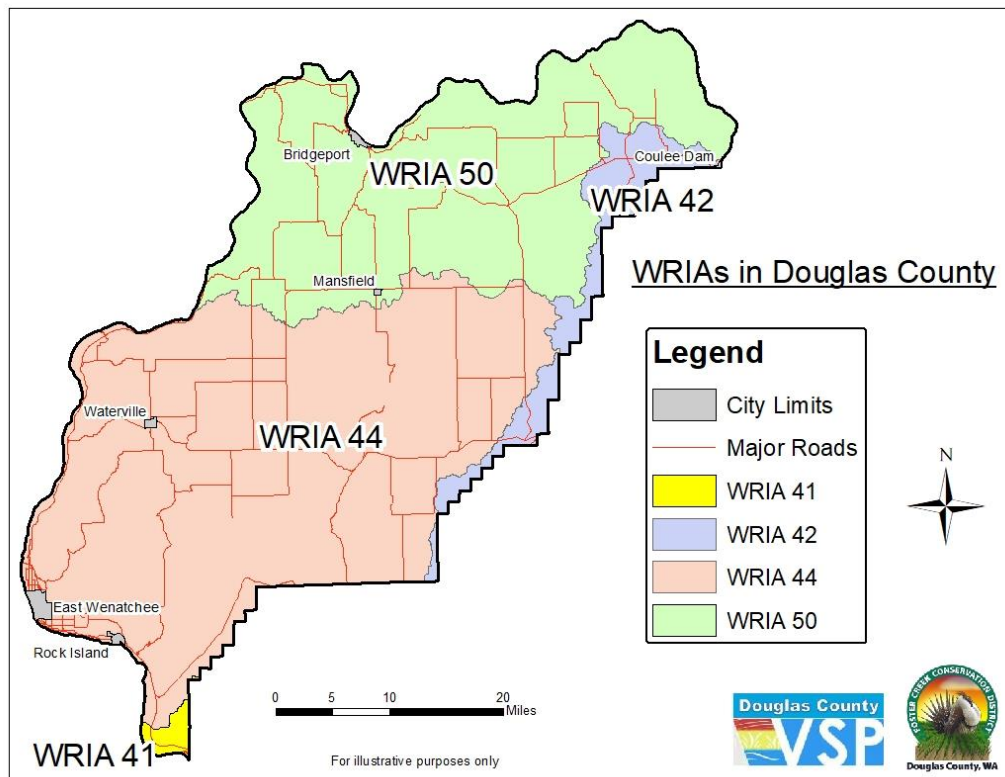

Directions: Please indicate in which Watershed Resource Inventory Area (WRIA) the majority of your operation is located.

Lower Crab - WRIA 41

Moses Coulee - WRIA 44

Grand Coulee - WRIA 42

Foster - WRIA 50

Directions: The first section includes conservation activities that apply to all producers. After this, please also fill out the section(s) that correspond to your type(s) of agricultural production.

- For each stewardship practice, indicate whether you do it, are interested in doing it, or check the does not apply box for neither of these.
- If you do it, please continue with the other four questions for that activity.
- Only fill out the section(s) for the type(s) of agriculture that you do.

You can read more about each conservation activity listed at _____. **However, this is not an exhaustive list. If you are doing something different, please include it on the blank spaces provided at the bottom!**

VSP offers technical assistance and incentives for interested Douglas County producers to implement conservation practices. The next couple of questions are a chance to tell Douglas County VSP how it can better support the vision you have for the future of your operation.

Directions: Please list any educational opportunities (workshops, trainings, field demonstrations, etc.) that you would like to participate in.

Directions: Please list any other technical assistance you would like to see provided.

If you would like more information or to be contacted about technical assistance or conservation practice cost shares please provide your contact information below.
